

XXI. TIME - THE SINGLE MOST PRECIOUS COMMODITY IN THE UNIVERSE

Are the Wachowskis (creators of Matrix movie) telling us something special in Jupiter Ascending movie? We believe they are.

Titus: *"Have you ever seen a harvest?"*

Kalique: *"Oh no, never. But I've heard they feel no pain. It's all quite humane, from what I've been told".*

Titus: *"There are marshals and administrators to make sure everything is done according to code, but still, it could be rather affecting..."*

Balem: *"Most of them are miserable in their lives, and what we do for them is a mercy."...*

Stinger: *"That's where the "why?" gets ugly. Basically, the goal is to grow a population as large as possible.*

Once the population exceeds the planet's ability to sustain it, it's considered ripe for harvest."

Jupiter: *"Harvest?"*

Balem: *“Mr Night, I want this facility running at capacity. I want full diagnostics and cost projections for an early harvest....”*

Mr Night: *“Of course, my Lord.”*

Balem: *“What kind of grade are we getting from the skim?”*

Mr Night: *“Excellent product, sire. Premium grade. It’s a particularly robust stock. ... Assuming market stability, if we harvest later this century, profit margins should eclipse your nearest competitor.”...*

Balem: *“Understand this, Mr. Night, I will harvest that planet tomorrow...”*

(Kalique, the old woman at the start of the movie, went into a bath, and came out looking very young).

Kalique to Jupiter: *“Your earth is a very small part of a very large industry... feel my skin...”*

Jupiter: *“Wow!”*

Kalique: *“In your world, people are used to fighting for resources, like oil, or minerals, or land.*

When you have access to the vastness of space, your realise there’s only one resource worth fighting over, even killing for - more time.”

„Time is the single most precious commodity in the universe.”

Jupiter: *“What is that?” (She holds a container of about 1 liter of liquid).*

Titus: *“It has many names, Regenix, Recell, Nectar, there are various levels of usefulness and quality, but this is the most pure and most valuable solution made by the House of Abrasax.”*

Jupiter: *“Kalique came out of a bath...?”*

Titus: *“Naturally my sister didn’t explain what it is, or where it comes from. It comes from people.*

Each unit is refined from approximately 100 human beings.”

Jupiter: *“What?!”*

Titus: *“Your planet is a farm, Jupiter. There are thousands of planets like yours, set up for families like mine, to supply an ever increasing demand for more time.”*

Jupiter: *“Are you saying you killed 100 people to make this?”*

Titus: *“Not me, but, yes, someone did. Not unlike butchering a herd of cattle.”*

Balem: *“Now the human beings on your planet, are merely a resource, waiting to be converted into capital.*

And this entire enterprise is just a small part of a vast and beautiful machine, defined by evolution designed for a single purpose, to create profit.”

Now - if you have not seen the „Jupiter Ascending” movie in full - watch it! You will also see some other scenes but lets leave it till later. How about we start here:

<https://pedoempire.org/video-2825-data-dump-adrenochrome-paper-trail/>

This is an archive with full documentation on harvesting adrenochrome from us humans (mainly children) by humans for the purpose of converting it into a drug designed to slow ageing. Or perhaps even to reverse it. A gross read. This is now run on industrial scale.

Lets quickly mention - when you die they drain your blood from your body! You wonder why? And why does it take to bury a body 4 weeks?

It is very important to highlight the fact that children who are used as a source of this substance are terrorised, raped, beaten and even skinned alive. All to increase the level of adrenaline while extracting these enzymes from the donor. Do you think this is a joke? Well... Lets quickly review this article in the press from British Daily Mail from the 21st January 2021 titled:

„No 10 and Treasury slam Matt Hancock's 'bonkers' plan to PAY people who test positive £500 Covid handouts to 'encourage more swabs'... at cost of HALF A BILLION POUNDS A WEEK” - link below.

https://www.dailymail.co.uk/news/article-9173953/Ministers-eye-astonishing-plan-testing-positive-Covid-one-payment-500.html?fbclid=IwAR0xxuNQU3TTZ-x8H8lZjmvdDhEmMq-E1YMWFCz2MbKjOZotk4R_g-C9aMw

So what does it mean? It's simple - they want your DNA sample. They will even pay you to get tested so they can get it. They will print as much money as they want to in order to achieve their aim. The schools will be next as children are the best supply of this product. The level of adrenalin that can be produced by children is of the highest grade.

Remember my view on vaccines? The only reason for vaccines is to implant explosives in all of us. Those who are low grade will be converted into a meat chop - Yes - precisely! They consume our bodies too. They will simply explode your heart and hung it up like on the picture below.

Now - one more thing - lets connect one extra dot and discuss the mind control! What is the additional reason behind it. It's not only designed to make sure you obey. There is a far more important reason than that - it's to create dreams. Lucid dreaming. They can project things in our minds.

And now imagine - being in one of those chambers where they extract adrenochrome and other enzymes, imagine having never ending nightmares. Chilling repeating scenes. Frightening dreams. All to increase the level of adrenaline in your body. So the product they harvest from us is of the highest possible quality. Imagine this process lasting dozens of years or perhaps even hundreds of years...?

Once you are on that vessel they will know straight away how to process your body. All for the simple reason - to generate more

TIME

Because do not forget how primitive you are and how naive. To think that life is to last only 80 years is pathetic. We are designed to live 10 thousands years at least and they take this away from us. Quite rightly - because we are too primitive to make this planet our friend. We turned this planet into a cess pit. This planet has exceeded the ability to sustain our lives. We are simply not worthy to live on this planet!

Are you ready for it? Are you ready to be processed?
